Kaitake Golf Club. Mens Comp update: December 2024.

A quick update on recent Men's competitions and results at Kaitake.

The Kaitake Club Xmas hamper was completed on Saturday 7th Dec, We had a good turnout from the club with some great scores been entered. Congratulations to:

- Alan Crawford whose 41 points took home first prize in the Senior Mens.
- D'Angelo Squatriti with 41 points winning the Juniors on countback from Brian Milestone.

Mens prizegiving on Saturday 14th Dec was preceded by playing the front nine in reverse. It was great to do something a little different, and all that entered had smiles on their faces. Congratulations to all the trophy winners in 2024

Many thanks to Dom who sorted the temporary tee boxes and made up the brilliant backwards signs, and to the Saturday Ladies who generously teed off early for us.
